Fly-In Prep

With the fly-in coming up we need to all focus our efforts to make this fly-in the best it can be. The chapter has had two setbacks in the last couple years with the accident in '07 and the weather of '08. We need this to be a "bounceback" year. Please make every effort to clear the necessary time in your schedule to help that day, and volunteer in advance for one of the areas that need help (see above). Also, so that we can get the word out, please post the fly-in poster that is on the next page anywhere you see fit: airport FBO's, company bulletin boards, community centers, libraries, diners, drive-in's and dives, etc.
