**SECRETARY'S REPORT - by Alan Pugh**

The May 21, 2004 Meeting was held at the Chapter Trailer at Mansfield Airport.

President Doug Mowry called the meeting to order at 7:30 pm. Meeting Minutes were approved. The Treasurer's report was accepted.

Tony reported on the Airport Commission Meeting: The 99's painted a '1B9' on the taxiway. The Airport Master Plan was discussed. A PAPI is scheduled to be installed on runway 14 by the fall (VASI already in use on Rwy 32). The Rotary Festival will have fireworks on Saturday Night, at midfield, away from the aircraft parking areas. Appropriate precautions will be taken. The FAA Investigator on the T-50 accident at Sharon Lake says fuel starvation was a probable cause. The C.A.P. Drill Day was cancelled. Workers are planting flowering trees on Fruit Street.

Mike Vidal reported on last month's Builder's Breakfast, a visit to Burt Schreiber's Stinson at Taunton Airport. It's almost done and should be flying for our fly-in.

The Young Eagles was a little short of pilots but it looked like the event was all set for May 22nd (day after the meeting).

**OLD BUSINESS**

The wood on the ground behind the trailer will be moved soon so the mower can get back there and harvest the wheat.

**NEW BUSINESS**

Fly-in planning is almost done. A notice is going into the Atlantic Flyer.

Mike Vidal has put together a 3-fold printed handout that he created and printed, to generate interest and, possibly, some new members. It has info on our chapter and the EAA and looks very good.

The meeting adjourned at 8 PM and turned into a rowdy donut-munching good time. AP
