Secretary's Report

EAA Chapter 701 Meeting Notes--Friday, October 16, 2009

The meeting was brought to order at 7:30p.m. by President Alan Pugh. Because the key to the SRE Building was not available, the meeting was held in the trailer with eight members attending.

Secretary's Report:

The Secretary's Report was accepted as published in the September newsletter.

Treasurer's Report:

Treasurer Dale Fox was out of town and there was no report. The report will be presented at next month's meeting.

Airport Commission Meeting:

There was no Airport Commission Report as Tony Correia and Joe Kelly did not attend the commission meeting. Tony was out sick and Joe was out of town.

Alan Pugh was commended for his virtuoso talent playing the guitar during the get together that was held at the airport on Sept 12th when the fly-in was cancelled.

Insurance forms and Young Eagle forms can now be completed on the AOPA website.

New Business:

Two new light sport aircraft are scheduled to become part of the King Aviation training fleet soon.

The meeting adjourned at 7:50p.m.
